

NEWS in a FLASH

As the holiday season approaches here are a few announcements from our Harbor Hills Country Club Board of Directors and Managers.

Stockholder credit –Don't forget that every stockholder was given a \$20 credit to use in 2022. This will expire on December 31. Just ask the clubhouse staff to apply it to your tab.

Project Tracker - For anyone who missed the annual shareholders earlier this week, pick up a copy of the project tracker from the club front desk. It shows all the club improvements and repairs that have been accomplished over the past year.

Tee Box Advertising - Tee box sponsorships will be sold starting in January to have them in place by spring. Sponsors will have an engraved stone plaque placed on the tee signs to advertise their business. The current sponsors that have been in place since the 1990s will need to be renewed or removed. Order forms will be available at the clubhouse.

Tree It Up – Trees can be purchased for the golf course to replace ones lost in recent years. You can choose the type and it will be planted, watered, and maintained by our golf course staff. It will include a plaque with your name or can be purchased in memory or honor of someone special. It's a great way to beautify the course and do something great for our environment. Order forms are available at the clubhouse. For more information on the Tee Box Advertising and the Tree It up Program contact Michele Holtom, at mholtom6@gmail.com/614-325-8884.
